PRACTICAL INFORMATION

When you enter the Museum, you can leave your belongings in the cloakroom.

After the opening speech, we kindly ask for your cooperation in organizing a group photo - please hand over your glasses.

Dinner will be served. There is no set seating order, so please feel free to sit where you feel most comfortable. Respect only the signs for Mr. Sébert's table.

After the last course of the dinner, there will be time for a guided tour of the Museum. Tours are organized in groups of no more than 30 people, so please be patient and wait until you are approached by our hostesses, who will gradually give you instructions on when to leave for the tour. Do not miss the tour, as the Cupola offers a unique view of the glittering Prague.

The rest of the evening there will be a sweet party, coffee will be served and there will also be an amazing PCQ music performance, so no one will be missing out on anything.

Please respect the ban on smoking both traditional and electronic cigarettes in all areas of the Museum - it is possible to leave the building through the main entrance for this purpose.

After the event, you have the option of returning to the hotel by bus or walking around the centre of Prague - the hotel is 1.6 km from the museum, about a 20 minute walk along the main boulevards of Prague.
